PUBLIC WORKS DEPARTMENT

ELECTRICITY DEPARTMENT

From
The Chief Construction Engineer,
Electricity,
157, Mount Road, Madras. 2.

To
The Secretary to Government,
Public Works Department,
Madras.

No.S5/SK 18/ 3860. dated 5-6-52.

Sir,

SUB: Supply of power to South Kanara Construction Hulikal-Mangalore 110 K.V. line sanction for continuance of staff--proposals

::::

(B) Pp 21-22 GF

In G.O.3781 dated 9-10-50 Government have accorded sanction for the employment of certain staff for the works connected with the above scheme.

2. I forward herewith a statement showing the details of posts sanctioned for the scheme, the dates of their utilisation, the dates on which the sanction is due to lapse and the dates upto which further continuance is necessary.

3. The following is the present position of works:- The survey of the 110 KV line from Hulikal to Mangalore has been completed. The survey of the 33 K.V. lines (i) from Hiriyadka to Udipi (ii) Hiriyadka to Coondapur and (3) Hiriyadka to Karkala have been almost completed except for realignment of certain portions which are now under progress. Further works on the Scheme is to be taken up only after agreement with Mysore Government is concluded.

4) In this connection I have to state that in view of the present stages of the works on the scheme the division office has been suppressed and some of the other posts are also kept vacant. The details of such posts as are kept vacant are indicated in the statement. As it would be necessary to utilise all the posts when the works are taken up, sanction for the continuance upto 31-3-53 of all the posts is required. The posts will however be utilised only to the extent necessary as has been done now.

5) I, therefore, request that Government may be pleased to accord sanction for the continuance of the posts shown in the annexure for the period noted against each. Sanction may also please be accorded for the drawal of the existing concessions by the staff.

6) Favour of early orders is requested.

S. N. Gopal
4.6.52

for Chief Construction Engineer,
Electricity.

P.W.D.(R)

G.O.Ms.No. 2705 dated 23.6.52.

Sub: Electricity Department - Establishment - Temporary Scheme for Supply of electricity from Jog falls to South Kanara District. - Staff for construction - Continuance - Sanctioned.

Read: G.O.No.3781, P.W., dated 9-10-1950.

From the C.C.E.E. No.S5/Sk 18/3860 dt. 5-6-1952.

O R D E R:

The Governor of Madras ~~hereby~~ sanctions the continuance till 31-3-1953 of the following staff sanctioned in G.O.No.3781, P.W., dated 9-10-1950 for the construction of the scheme for supply of electricity from the Jog falls to the South Kanara District:-

Field

One Executive Engineer.
Two Assistant Engineers.
Four Junior Engineers or Supervisors I Grade.
Ten Peons.

Division Office.

One Accountant
One Upper Division Clerk, II Grade.
One Lower Division Clerk.
One Typist.
One Storekeeper, II Grade.
One Draftsman II Grade.
One Tracer.
Two Peons.

Sub-Division Office.

Two Lower Division Clerks.

Office of the S.E.G.C.

One Lower Division Clerk.
One Draftsman III Grade.

Office of the C.C.E.

One Upper Division Clerk.

2. The posts of two Junior Engineers or Supervisors, I Grade and two peons sanctioned ~~in G.O. No.3781, P.W., dated 9-10-1950 for the Field and the~~ for field work and the post of one Upper Division Clerk, II Grade sanctioned for the office of the Superintending Engineer, General

(in G.O. No. 3781 P.W. & 9-10-50,)

Constructions have not been filled in within the sanctioned period of 18 months. The sanction for the posts has accordingly lapsed. The Governor of Madras, therefore, accords fresh sanction for the employment of two Junior Engineers or Supervisors, Electrical I Grade, two peons and one U.D. Clerk for the work ~~for the period~~ from the date of appointment till 31-3-1953. The staff sanctioned above should be utilised only to the extent necessary.

3. The staff sanctioned in paras 1 and 2 above will be eligible to the existing concessions viz:-

(a) Unhealthy localities spl. pay wherever admissible.

(b) Compensatory allowance of 25% of pay to the staff working in forest areas and

(c) M.H.A. or H.R.A., as the case may be, to the staff stationed at Madras.

P.W.D.(R)

Sub: Electricity Department - Estt - Tempy. - Scheme for Supply of Electricity from Jog falls to South Kanara District - Construction Staff - Continuance - Proposal.

Ref: From the C.C.E.(E) No.S5/SK 18/3860 dt.5-6-1952.

Please see the C.C.E's letter in the c.f. 2. He has requested sanction for the continuance of the staff sanctioned in G.O.No.3781, P.W., dated 9-10-1950 for the construction of the scheme for the supply of electricity from Jog falls to South Kanara District. The staff was sanctioned for 18 months. But all the posts have not been utilised. The statement at p. 3 c.f. shows the details of the posts sanctioned for the scheme, the dates of their utilisation, the dates on which the sanction is due to lapse and the dates upto which further continuance is necessary. The present position of the works is explained in para 3 of the letter. It is reported that further works on the scheme would be taken up only after agreement with Mysore Govt. is concluded. The C.C.E.(E) requests continuation till 31-3-1953 of the entire staff detailed on p. 3 c.f. for this purpose. It may be mentioned in this connection that the C.E.(E) has applied for additional staff for this purpose. The matter is under consideration separately.

3. It may be mentioned that in G.O.Ms.No. 3270, P.W., dated 1-9-1950, sanction was accorded to the estimate for Rs.48.32 lakhs rising to Rs.62.05 lakhs in the tenth year for the purchase of bulk power from the Mysore Govt. from their Jog Falls Power Scheme at a point near Mysore border and the construction of a 66 K.V. Transmission line from there to Udipi and thence to Mangalore and Coondapur for the distribution of power in South Kanara District.

Though the terms and conditions for supply of power by Mysore were settled long ago, a formal agreement has not yet been concluded, the point of difference between this Govt. and the Govt. of Mysore being in regard to wording of clauses dealing with the levy of a surcharge or tax on high tension bulk supplies of electricity made in Mysore territory. It may be mentioned that pending conclusion of the agreement, the C.E.(E) has been authorised to place orders for the transmission lines and substation equipments of the scheme, since the C.E.(E) has given an assurance that the materials can be used elsewhere, if the South Kanara scheme does not go through. He has also been asked by the Secretary to go very slow for the present with the work on the extension scheme pending conclusion of the agreement with Mysore.

This subject was discussed at the Electricity monthly Conference held on 5-5-1952 and it was agreed that in any case, it would not be possible to do any work now on the scheme for 3 months in view of the monsoon, and that as our C.M. had sent a D.O., to the C.M. Mysore, a reply was likely to be received before long and that therefore the C.E.(E) might renew the proposals on 1-7-1952 for restarting the work. The C.E.(E) was also informed accordingly. A reply in the matter has since been received from Mysore and is under examination separately.

4. In the circumstances explained by the C.C.E. in his letter in the c.f. and in view of the position set out in para 3 above, all the posts mentioned at p. 3 c.f. may, perhaps, be continued upto 31-3-1953 (subject to the safe guard at 'M' on p. 1 c.f.) as requested by the C.C.E.(E). The staff may be allowed to continue to draw the existing concessions.

5. The posts of two Junior Engineers for

Supervisors, I Grade, two Peons and one Upper Division Clerk, II Grade referred to in items 3, 4 and 14 respectively ~~and~~ on p.3 c.f. have not at all been utilised within the sanctioned period of 18 months. The sanction for these posts has lapsed. Fresh sanction may, therefore, be accorded to these posts.

6. Subject to orders, a draft order is submitted for approval. It may be sent to Finance for acceptance.
